

POSITION PAPER

TITLE VI 1964 CIVIL RIGHTS ACT ADMINISTRATIVE COMPLAINT
AGAINST THE LOUISVILLE JEFFERSON COUNTY AIR POLLUTION
CONTROL BOARD

BASIS FOR COMPLAINT IS AS FOLLOWS:

THIS COMPLAINT IS A FOLLOW UP TO MANY, MANY CONCERNS ABOUT THIS AIR POLLUTION CONTROL BOARD. WE FEEL VERY STRONGLY THAT CITIZENS WOULD RATHER HAVE THE EPA OF REGION IV TO ADDRESS THE AIR MONITORING PROBLEMS IN OUR COMMUNITY INSTEAD OF THE LOUISVILLE/JEFFERSON COUNTY AIR POLLUTION CONTROL BOARD.

THE LOUISVILLE/JEFFERSON COUNTY POLLUTION CONTROL BOARD IS AN AGENCY THAT IS INSINCERE IN ITS WILLINGNESS TO PROTECT THE CITIZENS. MOST CITIZENS WHO HAVE GONE TO OBTAIN ASSISTANCE FEEL THIS AGENCY IS LIKE THE FOX GUARDING THE HEN HOUSE.

TODAY, DECEMBER 20 AT 9:15AM, THE DIRECTOR OF DREXLER COMPANY OF 4500 POPLAR LEVEL ROAD AND THE JUSTICE RESOURCE CENTER ATTEMPTED TO SPEAK TO THE BOARD AND WAS TOLD 2 MINUTES WOULD BE THE LIMIT ABOUT ANY ENVIRONMENTAL CONCERNS THAT HAS AND STILL IS A HAZARD IN THIS AREA ON REPUBLIC WASTE.

WE WOULD LIKE FOR THIS TO BE AN OFFICIAL TITLE VI CIVIL RIGHTS ACT OF 1964 ADMINISTRATIVE COMPLAINT. WE NEED YOUR OFFICE TO REPLACE THIS INDIFFERENT AND DIFFICULT ONE IN LOUISVILLE.
